EXECUTIVE SUMMARY

Life After Service Transitional Coaching LLC is a women-owned, minority-owned, service-disabled veteran-owned small business offering strategic human resources support to enhance organizational readiness and retention. Our team of highly experienced independent contract coaches and consultants stretches across the United States, Italy, and the Philippines, providing Executive, Leadership Development, and Professional Development Coaching as well as Human Resources and Management Consulting. We strive to offer an efficient approach to supporting new hires, independent contributors, and people managers at all professional levels by utilizing creative solutions backed up by our vast experience and expertise.
